MOTION BY MAYOR MICHAEL D. ANTONOVICH

NOVEMBER 10, 2015

The Holodomor Genocide Memorial in Grand Park commemorates the seven to ten million victims of the Holodomor Genocide in Ukraine (1932-1933) and especially those whose deaths were never acknowledged and whose bodies were never properly buried. This is their Memorial of Eternal Memory.

**I, THEREFORE, MOVE** that the Board of Supervisors proclaim that the Ukrainian Holodomor Genocide Memorial in Grand Park will remain in perpetuity at its present location. In the event of construction or other work in Grand Park that necessitates the temporary removal of the Memorial, it shall be stored respectfully and returned to its exact original location upon completion of such work.
